

Sing like an angel

Sleep like a dog  
drink like a fish  
work like a horse  
Sing like an angel, angel

Eat like a bird  
Speak like a child  
swallow your pride  
go thru the fire, fire

Blow with the wind  
shoot in the dark  
work like a horse  
sing like an angel, angel

It's a holy rule  
a seraphic feel  
if it traps you in  
nothing else to do:  
sing like an angel  
like an angel
